Experiment 2: Setting Up a Zoho Creator Account and Exploring the Platform

Aim

To create a Zoho Creator account and explore the platform by starting the Gym Membership Enrollment & Front Desk Management application.

Theory

Zoho Creator is a cloud low-code platform. An application contains forms, reports, workflows, pages and settings. The Builder is used for design and the live app for end users.

Procedure

1. Sign in to Zoho Creator (creator.zoho.in) with the student account.
2. Create the application Gym Membership Enrollment & Front Desk Mgmt.
3. Explore the Design, Workflow and Settings tabs.
4. Open the live app to view forms and reports.

Output

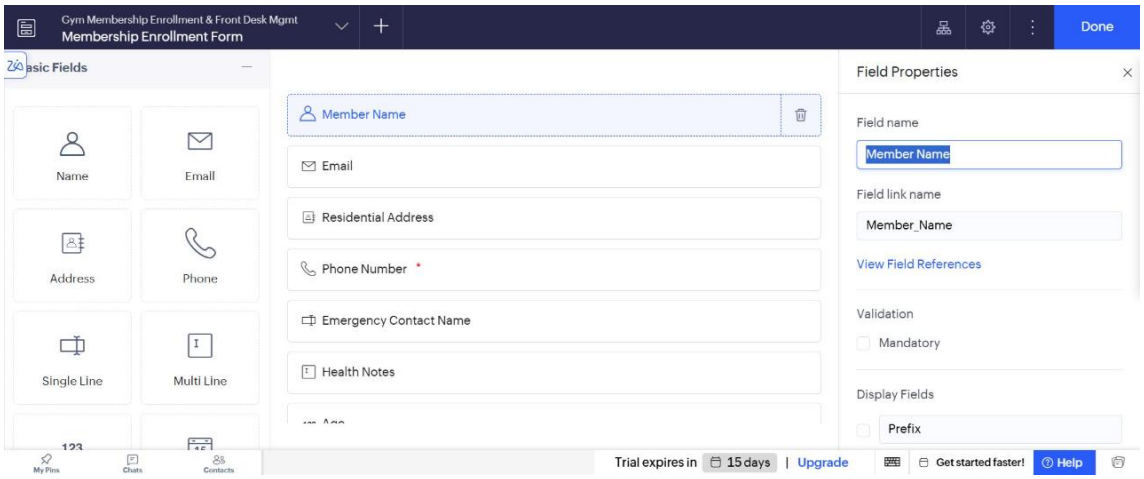

Fig 2.1 Form builder

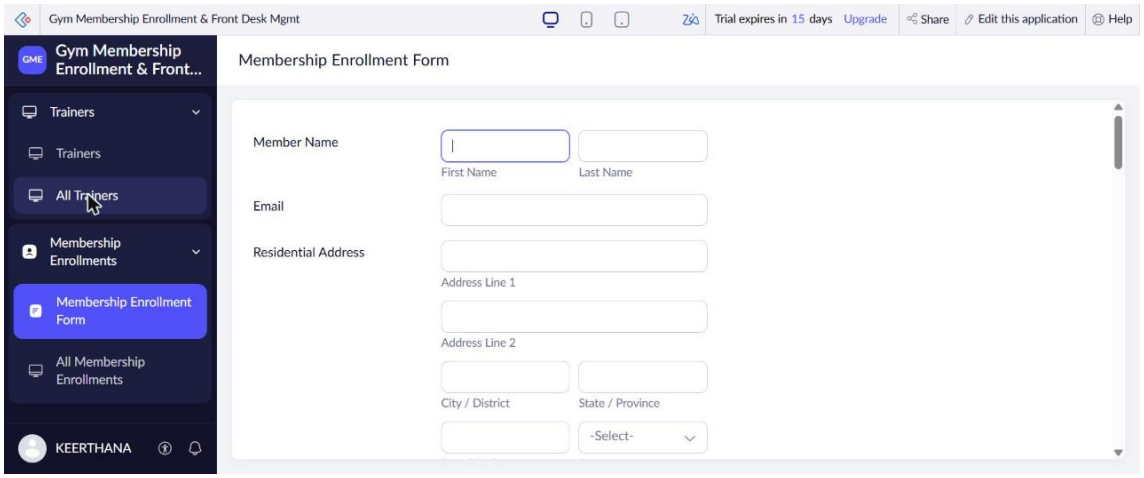

Fig 2.2 Live application

Result

The platform architecture and interface were explored.
